## Registration

WDSC is affiliated with FIFA and its state representative body Football West.

It has approximately 600 players registered each year and caters for all age groups from 5 to 12 years in the Miniroos Football West competition, 13 to 18 years in the Junior League Football West competition and 7 senior teams in various state competitions.

Our philosophy is to encourage and grow the love of football amongst children and create a community club atmosphere.

Registration for Juniors and Miniroos opens on the 3<sup>rd</sup> January and will close at the end of January. Please check the WDSC website and Facebook (@officialwembleydownssoccerclub) to be updated on final closing dates.

Grading will take place from early March for the Junior teams. Senior teams grading will take place in January and February. Grading periods can change depending on returning players applications for any age group.

Although there is no formal grading for the Miniroos (6 - 12 years), individual age groups may informally grade prior to team allocation especially from age 8 years and upwards. This allows the opportunity for children with similar skill levels to play together to increase game involvement and player development. Dates for grading will be confirmed and posted on Facebook and Website.

Senior registration is open throughout the season; however, it is best to register as soon as possible. For additional senior team registration and grading information, please refer to Facebook and Website updates or contact registrar directly.

Juniors and Miniroos training will start soon after grading, towards mid March.

Training days vary as most coaches are parent volunteers and the days and times will be dependent on their availability. Generally, Miniroos (6 - 12 years) train on Wednesday afternoons for periods of 60 - 90 minutes depending on age and from 4:30pm onwards, with the latest time slot finishing at 7pm.

Junior teams (13 - 18 years) generally train twice a week on Tuesday and Thursday at similar times.

Senior teams also train on Tuesdays, Wednesdays and Thursdays from 7pm onwards.

Only players who have completed the registration and have paid the fees will be allowed to attend grading sessions and subsequent training.

In the event that there are too many registrants for the number of teams available, then registration will be rescinded, and club fees refunded. This will be done in order of last registration. It is therefore important to register as soon as possible.

Please note that registering your child as a player also means that, as a parent/guardian, you may be called upon to assist the team or club in various roles. This may be coaching a team, managing a team, being involved in the "refreshments" roster for games, being a referee or game leader, a linesperson for junior games, ground marshal, being involved in canteen duty and so forth.

The club's success is attributable to the work and effort of volunteers – most of whom are parents of players - which we greatly appreciate and continue to welcome into the club community. We encourage involvement and have all the resources available for those without previous experience with club football.

The first coaches and managers information evening for those interested will be held in late February when there will be an opportunity to understand matters including Squadi app, Code of Conduct, Working With Children Check, Equipment, Training and Volunteers' roles. Please refer to updates on Facebook and website.

In order to field a team in the Football West competition a coach is required. Although we do have a selection of regular coaches at Wembley Downs Soccer Club, some of whom have done various coaching accreditation programs, we may require new coaches to volunteer. We want to provide the opportunity for every interested child to play soccer, but we require parents to volunteer as coaches to make this possible. We run sessions for parent coaches during the season and have resources and contacts available within the club to help.

In the unlikely event that a team is unable to get a coach, then unfortunately, that team may need to be disbanded. The club fees will be refunded in this situation.

### **Club Fees**

Approximate Fees: (to be confirmed on registration)

Unless you are eligible for a Kidsport voucher, all payments must be made through the online portal.

For registrations with a Kidsport voucher, please contact the club registrar as soon as possible.

### **Registration Process (once registration opens)**

Players, coaches, managers, and volunteers can apply to register on <https://www.playfootball.com.au/> where details of terms and conditions, code of conduct and payment will be found. Payment for registration will only be accepted through the playfootball registration portal.

Applicants will receive email confirmation of acceptance or rejection of their application for registration.

Parents/guardians must register as volunteers before registering the player(s). All personal details must belong to the applicant, your registration will be denied if a player or volunteer personal and contact details are not available or filled correctly.

When filling out registration application please do not use all CAPS, when possible, use a different email address for each parent volunteer and player(s). Upload an updated photo (passport style).

Follow these steps for registration.

1. Choose "Club Football"
2. Choose level "Community"
3. Choose Juniors if playing 18's and under.

Your child will be placed in the age division that corresponds with the age he or she will turn in the year that he or she is playing. For example, season 2019, if your child is turning 10 in 2019, he or she will play in U10's.

The club's preference and policy are for players to play in their age group. There may be circumstances where players are moved but this is ONLY at the discretion of the club committee.

4. All players must upload a passport style photo (under 5MB – eg. school photo) on to the registration details page. This must be done for your registration to be complete.

Photo image guidelines - please ensure

- Photo is a passport style image
- Head faces camera directly with full face in view
- No hats or sunglasses are to be worn in the photo
- Photo was taken within the last 12 months
- Photo is clear and legible with appropriate lighting
- Under 5 MB in size
- File type of .PNG or .JPG

Please Note: any inappropriate photos may result in your registration being declined.

5. Registration fees are NOT refundable.

New Players - before you can register you will need to request a FFA number for the player. The FFA number can be created on the same website used to register players. Once you have the players FFA number you can complete the registration.

Returning players - If you are unable to retrieve your FFA number after following the instructions on the website, you will need to contact Football West, do not register for a new FFA number.

### **International Transfer Certificate**

This is a FIFA requirement to ensure players are not under contract or suspended and is applicable even if the player is an Australian citizen or if they have been registered in Australia or Victoria previously.

If you are 10 years or older and have moved to Australia but not an Australian citizen, you may be required to fill an International Transfer Certificate form.

If you are 10 years or older and an Australian citizen and returning to Australia having played for a club overseas you are also required to fill in an International Transfer Certificate form.

A guide has been provided by Football West to help you select the correct form to obtain an ITC.

Home teams (team managers) are responsible for allocating a "Scorer" (someone to keep the score) and filling out team sheet for every game on Squadi.

Teams with fixtures on any day other than Sunday will be solely responsible for organising access to grounds and facilities, pitch allocation, set up and take down.

## **Infringements and Discipline**

Teams are responsible for managing obligations related to behaviour and compliance with competition rules including any fines arising from poor discipline or non-compliance.

## **Appendix 1 Code of Conduct for Juniors**

### **Players Code of Conduct**

Play by the rules.

Never argue with an official. If you disagree, have your captain, coach or manager approach the official during a break or after the competition.

Control your temper. Verbal abuse of officials and sledging other players, deliberately distracting, or provoking an opponent are not acceptable or permitted behaviours.

Work equally hard for yourself and/or your team. Your team's performance will benefit and so will you.

Be a good sport. Acknowledge good play whether by your team or the opposition.

Treat all participants in your sport as you like to be treated. Do not bully or take unfair advantage of another competitor.

Cooperate with your coach, team-mates and opponents. Without them there would be no competition.

Participate for your own enjoyment and benefit, not just to please parents and coaches.

Respects the rights, dignity and worth of all participants, regardless of their gender, ability, cultural background or religion.

### **Parents Code of Conduct**

Remember that children participate in sport for their enjoyment.

Encourage children to participate, do not force them.

Focus on the child's efforts and performance rather than winning or losing.

Encourage children always to play according to the rules and settle disagreements without resorting to hostility or violence.

Never ridicule or yell at a child for making a mistake or losing a competition.

Remember that children learn by best example. Appreciate good performances and skilful play by all participants.

Support all efforts to remove verbal and physical abuse from sporting activities.

Respect officials' decisions and teach children to do likewise.

Show appreciation for volunteer coaches, officials and administrators. Without them, your child could not participate.

Respect the rights, dignity and worth of every young person regardless of their gender, ability, cultural background or religion.

I understand that I am required to abide by the Players / Parents Code of Conduct as part of my obligations as a member of Wembley Downs Soccer Club.

## **Appendix 2 Code of Conduct for Seniors**

### **Players Code of Conduct**

Play by the rules.

Never argue with an official. If you disagree, have your captain, coach or manager approach the official during a break or after the competition.

Control your temper. Verbal abuse of officials and sledging other players, deliberately distracting or provoking an opponent are not acceptable or permitted behaviours.

Work equally hard for yourself and/or your team. Your team's performance will benefit and so will you.

Be a good sport. Acknowledge good play whether by your team or the opposition.

Treat all participants in your sport as you like to be treated. Do not bully or take unfair advantage of another competitor.

Cooperate with your coach, team-mates and opponents. Without them there would be no competition.

Participate for your own enjoyment and benefit.

Respects the rights, dignity and worth of all participants, regardless of their gender, ability, cultural background or religion.
